Ludhiana, Punjab, India

Summary

Driven by a passion for technology and innovation, I'm constantly seeking to enhance my technical skills and knowledge. Committed to continuous learning and growth, I thrive on solving complex problems and staying ahead in the ever-evolving tech landscape. My journey is fueled by the pursuit of excellence, both in my professional endeavors and personal development.

Experience

YBiee (YaanBarpe)
Tech head
May 2025 - Present (2 months)

Crafting digital bridges to Tulunadu's cultural and tourism revolution

As the Tech Head at Yaan Barpe (YBiee), I lead the technological backbone of a movement reimagining tourism in Tulunadu—a land rich in heritage, nature, and folklore. My role is to architect systems that seamlessly connect travelers with authentic local experiences, while empowering local businesses and communities.
